Welcome Back for 2017!

Welcome back to all our families from last year and a very big welcome to the new families who have commenced with us this year.

We have a new teacher joining our staff in 2017 who did some work with our school last year, a big welcome to Ms Olivia Gordon.

Our school enrolment for this year appears to be consistent with last year with the likelihood of having around 173 students enrolled by our staffing cut off which happens this Thursday.

This morning was the first whole school parade for the year and included the presentation of the 2017 Senior Shirts and jumpers.

(Pictured above are the class of 2017)

With the school year now commenced and to ensure safety and effective communication within the school, I would request parents to first report to the office if you bring your child to school after the bell rings at 8.50 or if you collect your child before school finishes at 2.45p.m. In the afternoon this ensures that we know who is collecting students and also enables us to inform teachers that you are present to collect your child. Sometimes teachers and students are not in their rooms and need to be traced within the school.

Rhonda Rashleigh or Jody Crocker (Admin Officers) will help you with this. Please note that Parents will not be given access to classrooms without notification from the office.

Sun Safety.

All students must wear the correct hat (broadbrim) hat school at all times when they are outside. Please contact Rhonda or Jody in the office if you need to purchase a school hat. Students without a hat are unable to play outside during play breaks. Teachers have sunscreen to apply before breaks to also give extra sun protection.

Also with the extreme heat of this week it is advisable to bring along a water bottle so that students are able to keep hydrated.

We look forward to all students and parents enjoying a productive year at school in 2017.

Regards

Hi Everyone,
Welcome back to the start of the school term and work routines.
The West Brisbane Region Asperger Support Group has now been running for over 22 years.
We have some fabulous speakers for the year, so this does represent great value. At each meeting you will:
* meet like minded people who “hear” what you are saying
* always leave with newly acquired knowledge from our speakers
* feast on a delicious supper of biscuits (often hand made - thank you Ollie!) with your tea and coffee.
First meeting will be in February, see next week’s newsletter for details.

Kind regards
Jane Leonforte
ASA Group Coordinator

**Senior School work training program will recommence next week.**
*Catering, Dog Biscuits, Worm wee……*
*Order forms will be in next week’s newsletter.*
*We look forward to your continued support this year.*

**Special Needs Gymnastics**
Splitz Gym at 79 Jijaws St, Sumner Park, QLD are running a Special Olympics class on a Saturday afternoon from 4 to 5 pm.

The coach, Shianne, is wonderful and spends time with each of the athletes, adapting to each child’s ability. The parents/carer’s are on hand, as these kids needs a bit more help than some of the traditional classes. Girls and boys of all ages are welcome, at the moment it is mostly Junior Secondary boys.

It’s a small group class, first class is free.

If you like it, it’s $20 a class. We pay for 5 classes at a time, so you can get an invoice for funding purposes.
Your child will need to be a member of Special Olympics for insurance purposes, which is $70 for the year and can be used for other Special O programs.
So get your kids off their devices for an hour and come along and give it a try
